

Coldstream Committee Meeting

February 3, 2009

Committee Members Present: Lisa Martinis, Pat Veon and Kristin Smedley

Meeting began at 7 p.m.

First, the Farmer's Market was discussed. We will continue with the Farmer's Market this year. We will get applications to current participants, and Lisa will check with Serina about adding some more participants from the Mt. Airy Farmer's Market that she is affiliated with. So far, we have Nancy Keller, the farmer, Serina with her coffee, and the baker. (All are participants from last year.) We also have a new farmer that has shown an interest in it that we would like to add as well. Pat will email the application that she created to Lisa. Lisa will distribute them.

We have had several requests from residents that the main Coldstream parking lot get repaved. It was noted that because of all the construction parking and storage of supplies and material, the lot is in need of repair. Lisa will ask Joy to bring this concern to the Board's attention. (Joy, could you please do that for us? Thanks!)

We discussed having an Easter/Spring event in Coldstream, but after much discussion, decided to focus on our summer activities.

We would like to kick off the summer season with an End of the Year/School's Out Pool Party. We are hoping to be able to schedule it on Tuesday, June 23 from 5-10. (Joy, could you let us know how much that will be, and if that date would work? Thanks!) We would like to show a family movie at this event. Pat will get a projector and screen. We would also like to get a big cake from Costco. We will have this event open to Coldstream residents and their guests. We will ask everyone to bring their own picnic dinner.

We are also planning to have two movie events at the Coldstream Beach. Rick Brace, who lives right on the beach, has very generously given us permission to use his electricity. (Thanks, Rick!!) We would like to schedule these events on a Saturday night in July and August. We will determine the dates at a later time.

We are also planning to have our End of the Summer Beach Party in September. (Again, thanks Rick, for the use of your electricity!) We would like to look into other local bands also. (If anyone knows of a band that would be interested, please contact Lisa at jmartinis@aol.com. Thanks!)

The meeting was adjourned at 8:15 p.m.
