

## **Coldstream Village Committee Meeting**

March 3, 2009

Committee Members Present: Lisa, Pat and Joanne

The meeting began at 7:10 p.m.

The first topic discussed was the farmer's market. So far, we have applications/confirmation of participation from Serina (selling coffee), and Windy Hollow Farms (selling veggies). Lisa will ask Kristin to get confirmation from Stonehearth Bakery. We would like to add one more farmer. Lisa will look into getting someone who sells local honey. We are open to other suggestions for vendors. Lisa will ask Serina if she has any suggestions based on the Mt. Airy Farmer's Market that she is associated with. We would also like to start advertising in the LakeTalk starting with the next issue, and continue the advertising each month. Lisa will contact Joy regarding this. We also discussed advertising for the farmer's market with flyers posted at mailboxes and distributing to staff at Deer Crossing Elementary School. We will begin this in May. We will also put out a Coldstream Newsletter in May with a summer calendar of events to include the farmer's market, pool party and beach parties that the committee is planning. Lisa will have her son Bradley put this together for the committee. We would also like to add in the newsletter a reminder to lock cars, etc.

We had a neighbor request for a snack bar at the Coldstream Pool. Lisa suggested that the easiest way we might be able to do this might be to have a "Roach Coach" type of concession truck. It was suggested that we could hire a company who has everything they would need to sell hot and cold foods. It may even be possible to rent space to them and make some money for either the committee or LLA. Lisa will check with Joy to see what she thinks and if it would even warrant any further research on the committee's behalf.

We also discussed the Coldstream Pool Party to kick off the summer. We would like to reserve the pool on Tuesday, June 23 from 5-10. We would like to plan this event as a Family Night for Coldstream residents and their guests only, noting that all kids must be accompanied by an adult. We are planning to have a family movie. The committee will look into purchasing a big screen or borrowing one. Pat will get a projector. It was also suggested that we might want to look into renting a karaoke machine. Lisa will check with Joy regarding this date and the cost for the committee.

We briefly discussed the End of the Year Beach Party. Joanne will look into some local bands in the area.

The meeting was adjourned at 8 p.m.
