

# Northshore Village Meeting Minutes

## 1/16/15

The North Shore village meeting for Jan., was held 1/16/15 at the LLA office and on Zoom.com! Several residents joined in the video conference, and it is hoped that more residents will do so for future meetings.

### **Old Business:**

--playground: there is not a rotating schedule to re-do playgrounds in LLA, so it is suggested by a resident that contacting our Village Manager, Denese Depeza, would be one way to indicate interest in having the playground on Coolfont Crossing updated.

--upcoming projects: several suggestions have been made at previous village meetings regarding possible projects to be conducted in the next year within our community, and more input is sought. A request for suggestions will be posted on the North Shore Face Book page.

New business:

--trail along North Shore Way: several residents in attendance stated that the markings indicating the trail on North Shore Way is so faded that they question if it is currently safe for pedestrians, and feel it needs to be redone. This issue was recently brought to the attention of LLA at the Jan. Village Chair meeting so it is currently being looked into by the Village Managers.

--rental units: a townhouse being offered for rent in our neighborhood, and currently unoccupied, recently had a pipe burst which resulted in sprinkler and smoke detectors being activated. This serves as a reminder to all owners to keep heat on, even if minimally, during the winter months.

The next regularly scheduled monthly North Shore Village meeting will be Friday, Feb. 20, beginning at 7 pm at the LLA office, and on Zoom.com (please email volunteer village chair for access prior to that meeting, see below).

**Meeting adjourned.**
