## WHO ARE THE TRAILBLAZERS?

The LLA Trailblazers is a small, dedicated group that has a common goal of helping the Lake Linganore Association staff restore, preserve, and improve the many miles of trails that are in the community. Members of the community who become involved with activities of the Committee benefit: by fulfilling a desire to “give back” to the community; by gaining a sense of pride in their accomplishments; and by meeting, working alongside of, and fostering friendships with other members of Lake Linganore who share common interests.

If you would like to learn more about the Trailblazers please contact: [LLATrailblazers@gmail.com](mailto:LLATrailblazers@gmail.com)

Monthly work sessions are held on the 2nd Saturday of the month at 9:00 am. The Trailblazers Committee meets in the Coldstream Pool parking lot and car-pool to the designated work site.
